About Mrs. J in the Library

**I'm a teacher-librarian with
over a decade of experience teaching
information fluency and research skills to
elementary students.**

I believe teacher-librarians and library spaces should inspire and empower students to create, as well as read, research, and think critically. I teach with literature-based activities in K-2 classes and library centers in grades 3-5, in addition to teaching collaboratively with classroom teachers and managing my library's physical and digital spaces. You can find me online at [Mrs. J in the Library](https://www.mrsjinthelibrary.com), and on social media.

Because every library and every school is different, all my products are editable so that my customers can modify them for their students' needs. If you have any questions about one of my products, please don't hesitate to [contact me](#).

Teacher's Notes and Terms of Use

1. **These library shelf signs are designed to fit exactly in upcycled VHS video cases**, as long as they have a clear sleeve on the outside to slide the printable sign into it. They can be purchased from Demco [here](#), or on [Amazon](#) if you don't have any extra ones in your library or other libraries in your district or public library system.

Please note: The products linked are available as of February 2021. If you make a purchase through the affiliate links in these notes, I may receive a small commission.

2. **The alphabet letter signs are printed 1 per page/slide** on letter-size paper (8.5" x 11"), and they wrap around the whole video case cover. **Some letter signs also are doubled up**, especially ones that are less common for an author's or biographee's last name. You can copy a slide by right-clicking on it, and selecting "duplicate" to create your own too.
3. **You may modify or replace any of the text or fonts.** It is ALL editable! [See this video tutorial](#) on how to quickly and easily change the color scheme of all the signs at once. The fonts are Prompt and Francois One, which are both available free from Google.
4. **Terms of Use** – This product is copyrighted by [Collette J. / Mrs. J in the Library](#). **By purchasing this product, you are purchasing a one-user license, so please do not share this product with others.** Feel free to edit any of the TEXT (not graphic) content according to your needs.
